Explanatory Notes for SEN2 Benchmarking Tool

Link:
https://socialkemistri.shinyapps.io/SENS2

Objectives:

- Assess dynamics in EHCP's over the last 5 years
- Assess % of EHCP's are completed within a week window
- Quickly compare local authorities EHCP metrics to national benchmarks
- Map pupils by educational establishment by need
- Complement Digital EHCP prototype with data visualisation of EHCP trends.

Uses:

- Ensures data driven base for alpha prototype assumptions, value calculations and scaleability considerations
- Supports top-down groupings / classifications and use of consistent terminology
- Helps experts quickly understand their EHCP trends within the context of national data and in terms of comparison with other local authorities.
- Helps EHCP related specialists quickly identify establishments in a borough that serve pupils with particular needs. This complements Digital EHCP while it is in development phase.
